SAMUEL HENDERSON.

New Arrangements -- Removal -- Improvement --- Reduction of Terms,

After one year's experience we have as certained, that with our present subcription list, we cannot afford to conth up our paper in its present location. The income of the year just closing has basely not the exponses of the concern, and our Publishers beform us, that it will be out of the question for them to publish the paper another year for less than Er hundred dellars more than the past y ar. The Editors and Proprietors cannot persuade themselves that the Demedication will expect them to make sava a sacrifice. They took charge of the South Western Baptist, not to make tuney, but to afford to the Denomination an organ, which was considered importhis, if not essential to its prosperity .--I'r this purpose, so far as the Proprietors are concerned, they are willing to labor without fee or reward. But the ser ices of an active Editor, who will devote all his time to the interests of the 1 q r, are essential to its very existence So han Elitor cannot be procured withcut a competent salary; and such a salary cannot be allorded under present eieform their pairons, that they have sue- at Tuskegee, Ala. consider their partons, that they have the considered in securing the services of one The Fourth Annual Report of the Annual Society, like those who took whatt. 10. 51, think hot that I am not come to send peace on earth, I am not come to send peace on earth, I am not come to send peace but a sword."
