Looseness of Discipline. NUMBER TWO

That churches of Jesus Christ can. definite of the teachings of th New Testament, allow thems lives to wink at such disorder and loosenes of life, as are notorionsly tolerated i the membership of many of our Bap tist churches, is certainly a remarka-

ble prenomenon, and one for which there must be some adequate eason The evils of the system are S obv ous and wide spread, that we ar whole soul. The vividness and forced to believe, that there anast be strength of his convictions made their some very powerful motive which op-impress upon his life and instrucdiscipline. What is this motive?

From the examination which I have been able to make of this sugject; the

origin of this motive appears to b wo-fold: First, an inordinate est mate of mere humbers, and secondly an erroneous view of the mature and end of church discipline. It is pretty certain that the average

Baptist prister too commonly over en timates the value of humbers on h church soll, and we can scarcely doubt that, in too many of our churches, the Baptist hosts like that of Gid ion, are too large. It is a trit
