HELP, help for missions and the missionaries!

The Kentucky legislature voted an appropriation to the World's Fair provided its gates were not opened on the Sabbath.

Let us rejoice the hearts of brethren Crumpton, Jones and Bell this week. The cause of Christ is in need of your dollar or mite, brother, sister. What are you going to do about it?

Dr. J. J. Taylor, of Mobile, is our special representative at the Georgia Baptist State Convention, which met in LaGrange on Tuesday, the 5th.

He will give us a report of the sessions.

Bro. Crumpton has several things to say this week. He is working and we must join hands with him. See what he says about the fighting force, the bands, March receipts, the self-sacrifice fund and—"the beautiful noses."

This is a funny world! A brother will let his subscription run behind from six months to three years and receive a request for settlement every month, and at last, when pressed to pay thinks we have acted in a very unchristian way!

The mayor of Troy has the manhood to carry out the wishes of the citizens of the town by driving out of the place the keepers of houses of ill-fame. It is a burning shame upon any city that such characters are allowed to remain.

EVERY Baptist church in this country should make a hold a Centennial missionary meeting. Your own members need the information and stimulation which such a meeting would give.

WHAT DOES THIS MEAN?

It means that in informing the young and others who are not Baptists.

The Journal and Messenger says that every congressman who shall hereafter vote for another dollar of appropriations to the World's Fair without putting in a proviso that "the gates are to be shut on the Sabbath" should be retired to private life, no matter what party he represents.

A CERTAIN candidate in Alabama says that nearly all our office-holders are whisky drinkers. He says this by way of defending himself against such charges. But the people are aroused and in the near future men who disgrace themselves and the state and the nation will be "left at home."

The anti-lottery democrats of Louisiana have won the fight. An associated press report of the 4th inst. says: "The committee of seven decided in favor of the Foster faction as the regular nominee of the democratic party in the next state election to be held April 19th." This is the last nail in the coffin of the lottery.

The Second Baptist church, Birmingham, of which Bro. W. A. Whitte is pastor, has a normal class in its Sunday-school. This is in charge of Dr. Baird, who instructs teachers, so that as often as there is a vacancy he has a supply. The great need in our schools is competent teachers, and a normal class would help to give us these.

The great spiritual training of Howard College, Jno. R. Sawney, to take in the very best that the Southern Baptist Theological Seminary offered, and when he graduated from that institution he was so well equipped that the Seminary at once asked him to accept a professorship. Year by year he is growing in efficiency and power, and wielding an influence for great good.

How to reach the destitution of Alabama is a serious question. Baptist polity will not allow our Mission Board to put new men in the field, regardless of the wishes of the churches. They have men whom they love and would not exchange, but the men, in numbers of cases, are incompetent to be leaders in view of the changed condition of things. To remedy this these preachers should attend the Theological Institute at East Lake. Spend one month there, brethren, and the benefits will be incalculable to you and to your churches. Determine to fit yourselves for the fields of your ministry.

The truth has poor show in a race after falsehood. The silence of pure innocence persuades when speaking fails.

GRADED HELPS.

The arrangement of its Sunday-school literature by the American Baptist Publication Society is helpfully suggestive. Here we see its grades provided for—enough, but not too many, for any school that would do its work thoroughly and systematically. The provisions for each separate grade are full and, in every respect, complete. Primary, Intermediate, Advanced, Senior, Teacher, Superintendents—all are well equipped for the best work of which they are capable. It would seem impossible for any Sunday-school to use such helps and so arranged, without becoming itself better equipped for the best work of which it is capable.

Watch ye, stand fast in the faith, quit you like men, be strong.—1 Cor. xvi, 13.

You shall be none the worse to-morrow for having been happy to-day.—Thackeray.

For Malaria.

Use Huxford's Acid Phosphate.
Dr. E. G. DAVIES, Des Moines, Ia., says: "I have used it in slow convalescence and prevention from malarial diseases, where the drinking water was bad. I believe it to be beneficial in preventing summer complaint; also one of the best agents we have to rectify the bad effects of the drinking water upon the kidneys and bowels."

It is the rising young man who generally buckles down to business.

"There goes a man to be trusted," said Jago, as Hudson entered the tailor shop.

For Probate Judge.

I announce myself a candidate for Probate Judge of Montgomery County, subject to the action of the Democratic party.
E. K. HOLT.

Business dispatched is business well done, but business hurried is business ill done.—Bulwer Lytton.

FOR OVER FIFTY YEARS.

Mrs. Winslow's Soothing Syrup has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Twenty-five cents a bottle.

A New Sign.—A photographer in a Western town surprised the people the other day with a new sign which read as follows: "Photographs taken while you wait."

Your Blood.

Undoubtedly needs a thorough cleansing this season to expel impurities, keep up the blood tone and prevent disease. You should take Hood's Sarsaparilla, the best blood purifier and system tonic. It is unequalled in positive medicinal merit.

Hood's Pills are purely vegetable, perfectly harmless, effective, but do not cause pain or gripes. Be sure to get Hood's.

What I want is, not to possess religion, but to have a religion that shall possess me.—Charles Kingsley.

Thou art by faith to make up all thy happiness in him, and in him only; and he himself will bring thee to him, and he will take away what he will bestow, thou hast enough.—Romaine.

CONSUMPTION CURED.

An old physician, retired from practice, having placed in his hands by an East India missionary the formula of a vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, the recipe, in German, French or English, with full directions for preparing and using. Sent by mail with addressing stamp, naming this paper, W. A. NOYES, 320 Power Street, Rochester, N. Y.

It is only truth which persuades without the need of presenting all its proofs. It enters so naturally into the mind that, when one comprehends for the first time it seems like recalling a memory.—Fontenelle.

GENTLEMEN—I used tobacco for nineteen years, and finding it injurious, decided to quit it. About seven months ago, with the aid of the Rose Tobacco and Snuff Cure, I quit it, and now find my health greatly improved, and I have gained thirty pounds in weight. Respectfully,
A. T. BAKER.

DEAR SIRS—The tobacco tablet bought of you December 30, 1891, has given perfect satisfaction. It has cured two persons of the tobacco habit—myself and another. I smoked cigarettes four years, and had been chewing fourteen years. Since the use of the tablet I have no desire whatever either for smoking or chewing. It did the work in four days.

"There is a slave, whom we have put in prison." Aye and we'll keep him there, he was a tyrant once, but his reign is over, his scepter is in the dust. His name is Pain, and his conqueror is the far-famed and world-renowned Salvation Oil.

A church ought to be to the members of a congregation more than simply a worshipping place for the Sabbath, just as the home ought to be more than a stopping place for the night.

"The power of music, all our hearts allow," but there are a few ignorant persons who have not learned yet that all colds are cured by Dr. Bull's Cough Syrup. Buy it and try it, 25 cents a bottle.

"Every Word True!"

So Says the Writer of that Famous Letter.

He Reiterates His Statement, Produces Additional Proof and Clearly Defines His Position.

(N. Y. Sun.)

It would be difficult to measure the interest and comment, not to say excitement, which the published letter of Dr. R. A. Gunn, which appeared in the papers yesterday, has occasioned. The prominence of the doctor and the unusual nature of the letter have both tended to add interest to the subject and make it really the talk of the town.

I called upon Dr. Gunn at his residence, No. 124 West Forty-seventh street, yesterday afternoon. I found the reception room crowded, and it was only after an hour's waiting that I succeeded in obtaining an interview.

Dr. Gunn is a distinguished looking man, and impressed me at once by his manly bearing and air of sincerity. I took the seat he courteously offered me, and said:

"Are you aware, doctor, of the commotion your letter has caused?"

Dr. Gunn smiled, and replied: "Things out of the ordinary usually cause comment. It is not a common thing for physicians to endorse and cordially recommend medicines other than those in the *Materia Medica*. History is full of instances of scientists who have endorsed discoveries they believe to be valuable, and have been denounced for so doing, and yet these same discoveries are blessing the world to-day. I hope I have the manhood and courage to be true to my convictions, and that is why I so openly and unhesitatingly endorse Warner's Safe Cure, as being the greatest of modern discoveries for the cure of diseases which have baffled the highest skill of the medical profession."

I was impressed with the earnestness of the doctor, and saw that he meant every word that he said.

"How long have you known of this remedy, doctor?" I asked.

"Nearly ten years," he replied. My attention was originally called to the Safe Cure by a serious case of Bright's disease, which was considered hopeless, and yet, much to my surprise, under its use the patient recovered. I have tried it in other cases since then constantly, and my original faith in its power has been confirmed. I have seen patients recover from inflammation of the bladder, gravel and Bright's disease when all other treatment had failed, and I have found it especially efficient in all female troubles."

"Can you specify any particular cases, doctor?" I asked.

"That is a delicate thing to do," the doctor replied, "but, as I always keep a written record of my cases, I can accommodate you."

Thereupon the doctor opened his desk and produced his record book. Turning over the leaves he said:

"Here is a case of a gentleman who was a great sufferer from inflammation of the bladder of long standing. He had consulted a number of physicians without benefit. When first consulted I myself tried the usual methods of treatment, but without success, and I finally advised him to try Warner's Safe Cure. He felt better from the start, and in a few weeks was entirely cured."

"Here is another case. It is that of a gentleman who had frequent attacks of renal calculi, which, as you know, is gravel forming in the kidneys. He had never been able to prevent these formations, but after an unusually severe attack I recommended him to try the Safe Cure, which he did, and, although it is three years since he took the remedy, he has never had an attack since."

The doctor continued to turn the leaves of his book, and suddenly exclaimed:

"Here is a most remarkable case. It is that of a lady who had suffered for some time from Bright's disease. She became *enfeebled*, and about the fourth month suddenly became blind, had convulsions and fell into a state of coma, caused by uræmic or kidney poison. Several physicians who saw her said she could not live, and in this view I fully concurred. As she could still swallow I said, as a last resort, that they might try Warner's Safe Cure. They did so, and to the surprise of every one she recovered. She has since given birth to a living child, and is perfectly well."

"Those are certainly most wonderful cases, doctor," I said, "and while I do not for a moment question their authenticity I should consider it a great favor if you would give me their names. I think the importance of the subject would fully justify it."

"In the interest of other sufferers I think you are correct," Dr. Gunn finally observed, after a moment's thought. "Both the lady and her husband are so rejoiced to gratefully over her recovery that I know she is only too glad to have others hear of it. The lady is Mrs. Eames, wife of the well known customer. She was not only restored, but is in perfect health to-day."

I thanked the doctor for his courteous reception, for the valuable information imparted, and I feel assured that his generous and humane nature will prevent him from feeling other than glad at seeing this interview published for the benefit of suffering humanity.

Not Much of a War.

More than one of our contemporaries have alluded facetiously to the "baking powder war." There is no war of the character indicated. A certain baking powder achieved fame because it was better than anything that had been used in the past. It was a liberal, original and judicious manner. The success of this powder led to imitation, as success always does, but to desert or to imitate that there was war between the Royal Baking Powder and its more or less feeble imitators suggests the picture of a death grapple between an eagle and a house-fly.
